Getting started

The CIP Wealthcare Portal can be accessed by visiting the following URL:

<https://compbenesvc.wealthcareportal.com>

Registration

- **Step 1:** If this is your first time accessing WealthCare Portal click the *register* button atop the right corner of the home screen.
- **Step 2:** Complete the registration form (as shown in the image on the lower right).
 - Choose a username & password
 - Enter your demographic information
 - Obtain your *employee ID* and *employer ID* from your human resources department.

If you already have a benefit debit card, the debit card number can be used in place of the *employer ID* in the *registration ID* field.

Before clicking *register*, be sure to view and accept the terms of use.

- **Step 3:** Click *register*. The process may take a few seconds. Do not click your browser's back button or refresh the page.

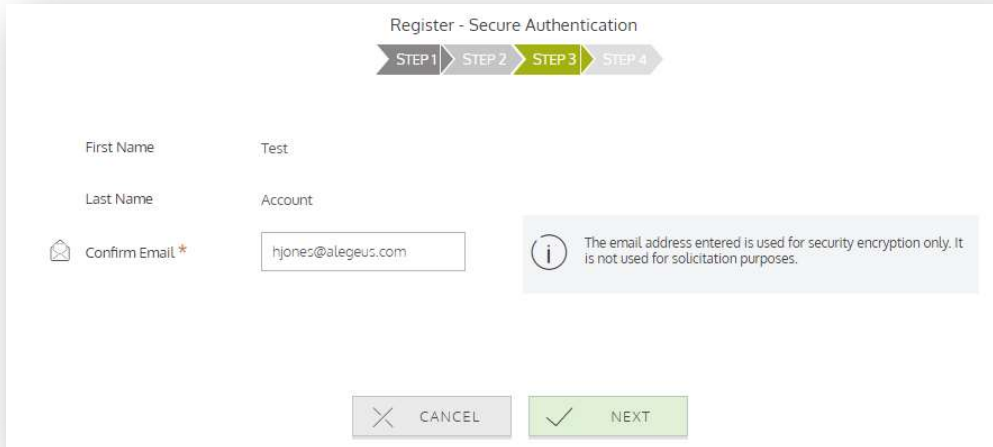

Secure authentication

The next phase of registration involves setting up your secure authentication. This crucial step helps ensure your account is secure and private.

After the registration form is successfully completed, you will be prompted to complete the secure authentication setup process.

- **Step 1.** Select your security questions. From the list, please select four security questions and provide your answers. These questions will be randomly asked during subsequent logins to ensure security. When finished, click *next*.
- **Step 2.** Verify your email address.

On the next page, you will be prompted to verify your email. Click *next*.

The image shows a registration form titled "Register - Secure Authentication". At the top, there is a progress bar with four steps: STEP 1, STEP 2, STEP 3 (highlighted in green), and STEP 4. The form contains the following fields:

- First Name: Test
- Last Name: Account
- Confirm Email *: hjones@alegeus.com

Below the email field, there is a light blue information box with an 'i' icon and the text: "The email address entered is used for security encryption only. It is not used for solicitation purposes."

At the bottom of the form, there are two buttons: "CANCEL" (with a close icon) and "NEXT" (with a checkmark icon).

- **Step 3.** Submit setup information. On the next page, you'll be asked to verify the information you entered during the secure authentication process. After you've reviewed and confirmed the accuracy of this information, click *submit setup information*.

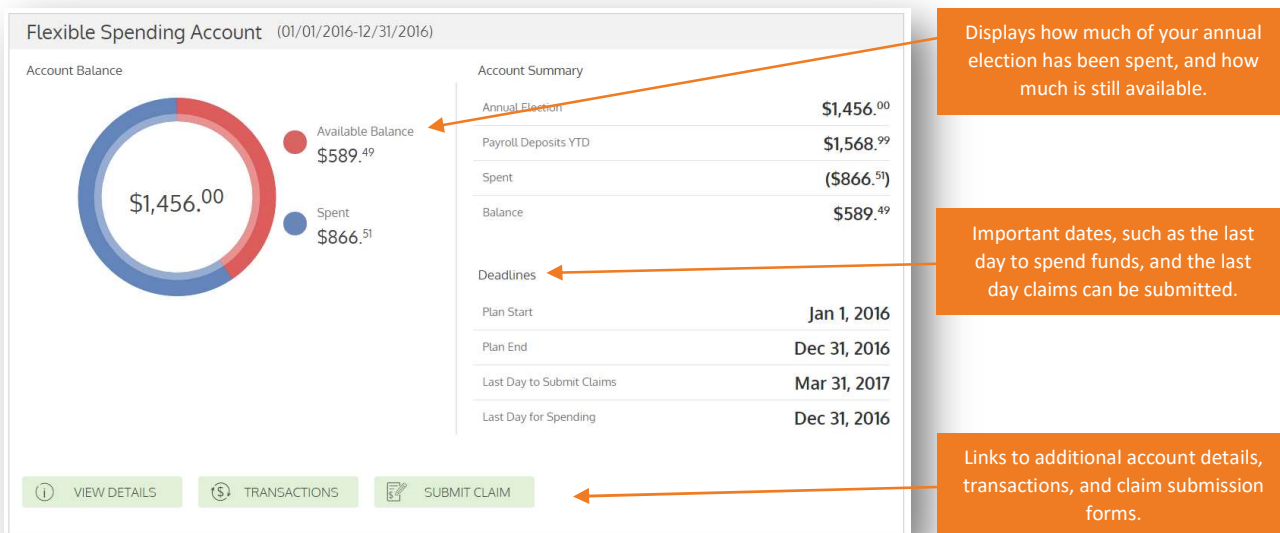

A confirmation page will display the successful completion of your registration.

Your first login

Once registered, you will be able to enter your username, answer security questions, and enter your password on all subsequent login attempts.

Checking your account balance(s)

Navigate to the *benefit account summary* page to access a quick view of your account balance(s). Each of your accounts displays in its own box, and provides at-a-glance details regarding your balance, funds spent, and important dates.

Submitting expenses and filing claims

WealthCare Portal allows you to enter new claims and expenses, as well as view and edit pending claims. If you have receipts or documentation to substantiate your claim, you can attach these to expedite the reimbursement process.

What is the difference between a claim and expense?

- **Claim.** Claims are simply reimbursement requests submitted for costs incurred when receiving eligible services, products, or procedures.
- **Expense.** Expenses are used to track & manage your medical, dental, vision, prescription, and other potentially eligible expenses. Expenses can be manually entered by you. Once entered, expenses can be submitted for reimbursement (just like a claim). Expenses can be submitted now or later.

Submitting a claim

To enter a claim and request reimbursement, navigate to the *add claim* page (by clicking *submit claim* or via the menu bar) and complete the form. Be sure to upload a receipt image if you have one. You can click *browse* to navigate to the file, or you can drag and drop from your computer. Click *submit* to send the request for processing.
